XXX = Winding to be advised upon application.
i.e. Hoist, Conveyer etc.

18", 21" & 24" Brakes are manufactured as specials and not considered as stock items.

Part Numbers for the 460 volt brakes are the same as the 230/460 volt. The rectifier has a link removed for 460 volt and becomes a 1/2 wave rectifier, the 230 volt coil has a full wave rectifier with the link connected on the rectifier.
